

## **'Daily Prayer from St Mary's Linton'**

Each weekday morning, Maggie Guite is making a podcast with this name, as she says Morning Prayer in church. She aims to have it available on Spotify, Google Play, and other podcast platforms by 10 am, and pasted on the St Mary's Facebook Page as well as on her own. She will be using our Parish Prayer Board in the intercessions and daily suggestions for prayer from USPG, as well as including other prayers and intercessions at the end of the service.

Each service lasts 20-25 minutes. Although it may come too late for some people who would like to share Morning Prayer first thing in the morning, others may be able to follow it later in the day, or even choose to use the previous day's service first thing the next day.

There is also a reading of Compline (Night Prayer) by Maggie and Malcolm available on the 'Daily Prayer from St Mary's' podcast, which can be used on any day in the evening.

You may also like to listen to a brief 'Introduction to the Daily Offices', to help you get the most from this form of prayer.

If you hear the occasional 'noises off' during the services, it's because Maggie's dogs accompany her to church. Apologies!

Is there anything or anyone you would particularly like Maggie to pray for in Morning Prayer? If so, please let her know by email [rector@stmaryslinton.org.uk](mailto:rector@stmaryslinton.org.uk) or phone 01223 890273. She will gladly pray for your cause, and if you give permission, will also circulate the information to other church members so they can pray as well.
