

Light Up October 2020

There is so much fear and darkness in the world at the moment, so let's turn half-term into a celebration of hope and joy! We hope you'll enjoy doing some of these activities with your family. Post pics to Sarah at caf@stmaryslinton.org.uk

You'll find a template of a pumpkin in your pack. Can you decorate it with a happy face or something to and put in your window? Then see how many other hopeful pumpkins you can find on walks round the village!

Do you like Lego? This is a great time of year to make shadows. On a sunny day, make a Lego model, stand it by a sunny window and draw around the shape. Like this:

Take a pine cone and make a woodland friend

Go conkers! Go for a walk and collect a conker, or an acorn, or some other tree seed. Plant it in a pot and pop it in a corner in the garden. Watch what happens in the spring! Details here: [bbc_grow a tree](http://bbc.com/growatree)

Try conker paint rolling.

Gather some fallen leaves to make this cute hedgehog

You'll find some colouring sheets, word searches and puzzles in your pack.

Let your light shine! You'll need tissue paper and some scissors to complete the lantern.

Imagine a beautiful safe place. Can you make a picture or collage of it? Talk about the time you've felt safest. What makes you feel safe and happy at home, work or school?

Dance along to the Toobies 'Shake' here: <https://www.youtube.com/watch?v=RBYoi2WbKhA>
Or 'Shine' here: <https://www.youtube.com/watch?v=Btbzli8sR1o>

Max and Bear explain what letting your light shine means: <https://www.youtube.com/watch?v=8y-3r3GMYns>

Autumn food ideas:
Candle biscuits

Or
Autumn trifle
