

Easter Holidays Boxes of Hope

The Make Lunch Linton team delivered 14 parcels to families in the Linton area, containing ingredients to make two main meals including a dessert, fresh fruit and veg, store cupboard items, and a pack of craft and activities to keep the children busy and encourage families to get out and about during the holidays.

We have been delighted to support 27 children and 19 adults this school holiday. Thank you to Nourish, Linton Community Help Team, SCDC, TLG and the generous people of Linton who have donated.

Here are a few of the comments and feedback we received:
