We are collecting for church flowers today

Community Quiet Garden - The hard landscaping has been completed and now after receiving grants from the District and Parish Councils we are able to begin moving on to preparing the ground for planting in September. Rebecca Rix is finalising the planting scheme, which has a woodland theme involving low maintenance plants. A special thank you to those who have contributed to these garden costs. We are delighted that the Granta School wish to be involved with the planting (and possibly the Infants School) and that members of the gardening club have offered to help with plant care. We would really appreciate any offers to join a working party to prepare the ground, join a rota for cutting the grass (lawn mower available on site) or help with regular care of the garden. We would also be grateful for any further financial donations.

Please contact Glynis Younger 01223 892164, if you have any questions or you feel able to offer help.

Shortages at the Foodbank this week are: jam, tea, juices, shortcakes.

If there is anything that you would like added to the pewsheet, then please contact **Melanie Symonds: stmarylinton@gmail.com**
