Families may be dealing with all these challenges. We are working in partnership with St Mary/s and have funding to support people with just that little extra help to cover food, energy bills, new shoes for the children, transport to appointments. We can also help signpost or help with employment, training and money advice. Reach Community Projects have a free confidential debt service. ### **REACH Ely Audit – from the Archdeacon of Huntingdon & Wisbech**

Many churches (*including St Mary's*) have already filled in their audit – thank you, and to those who have given their time and energy to that task. The information you provide will help us all to plan for the future. [Information here](#). With that sense of loss that we feel all the time at the moment and especially when completing the audit can I commend this prayer to you both as a lament for all that we have lost and a prayer as we face the future.

*O God of comfort and challenge Whose presence is ever reliable,  
as we look back, grant us an ability to grieve over what is ending:  
as we look forward, grant us diligence to seek your will  
patience to wait for you, eyes to behold you,  
and a church to proclaim you. Through Christ our Lord. Amen*

### **Bishop Stephen's Lent Challenge – Hope and a Future**

Each year church schools across the Diocese are invited to take part in a Lent Challenge. The Challenge for 2021 was launched last week, and can be found [here](#) Have a look and see if there are ways you can support schools in your parishes with this, or use some of the suggestions and material in church.

[The Big Lent Read](#) with the Archbishop of Canterbury's Lent Book *Living His Story*.

It's free to join in, either for individuals, home groups or whole churches. Through a series of short weekly videos released on the Sundays of Lent, author Hannah Steele will unpack liberating and practical ways of sharing the Gospel story afresh, and share how we can live Jesus' story in our own lives simply by allowing people to be drawn to him through our natural gifts. It's one more opportunity for making the reading of the book a shared experience with others, bringing communities to journey together through Lent despite being physically separated.

The Diocese of Ely and the Cambridgeshire Ecumenical Council have been linked with the [Diocese of Vellore in South India since 1992](#). The wealth of sharing knowledge, prayer support and fellowship is evident in the many visits between the two dioceses. The Diocese of Vellore is in the Indian state of Tamil Nadu and centres on the town of Vellore itself. It is part of the Church of South India, a united church since 1947, made up from the Anglican, Methodist, Presbyterian and Congregational churches.

5 February - We ask for prayers for Chris Kemshell, Minister of the Linton Free Church. Please see the message from Maggie:

**Chris Kemshell**, the minister of Linton Free Church, has been being treated for cancer of the liver for several years now, and in a remarkable way has been able to continue with his family life and church ministry, for which we thank God. This week he has been taken into hospital with extreme tiredness and pain in his chest and tummy area. Please pray for him and for his family and church community, that he may be able to return to them soon, relieved of pain and able to continue all he shares with them and all he contributes to the village. Sarah Thorne has also written today: Please can we ask our church family to support the URC church family, and especially Chris Kemshell, with our prayers.

8 February - Sarah Thorne has sent an update: If you joined us this morning you will have seen Chris join us from his hospital bed and say a few words. He has been blown away by everyone's support, prayers, and generosity during this time.

Chris is now stable and will be remaining in hospital for the next few days as his specialist consultants review his results and plan his treatment. Please do continue to pray for Chris' health, and for Lucy and the kids.

10 February—We ask for prayers for Vic and Beryl Terry (Nichols Court).
