If anyone has a story of their own godparenting experience, [Sarah](#) would love to hear!

**The Gift Day tally is still rising.** Thank you to all of you for considering your giving prayerfully. In terms of one off gifts and increases to monthly giving we will receive over £10,000 more than expected in the next year. This is an astonishing and humbling response. Thank you. David Watts.

At Maggie's farewell service the retiring collection raised over £200 for USPG.

**Linton Village Quiz.** Thank you to all those who entered. We had 17 copies returned with several very nearly correct. The level of detail and accuracy of answers was impressive and three people have been awarded small prizes. We are grateful to Boswells, Nourish organic shop and Sweet Talk News who sold copies. £212 has been raised for church funds. St Mary's Events Committee.

**The Churchyard** is a beautiful and much loved area, and as with many churchyards, a haven for wildlife. A survey of the flora carried out recently listed 38 species of wild flowers. Diana Cook, from the local Wildlife Trust, came on a recent visit to meet Maggie, members of the Monday Gang who volunteer to maintain it, and other interested parties, to discuss the possibility of applying for a Conservation Churchyard Award. A small group will be needed to oversee the work needed to apply for the Award; **any volunteers would be very welcome!** Discussions are taking place about a management plan for grass cutting to encourage flowering in the different seasons. It is also hoped to install swift boxes in the tower for these iconic birds, now in decline. This is an exciting opportunity to celebrate the wealth of wildlife we have in the centre of our village, and to make it more widely known to all walking through the churchyard.

**The Peace Garden** behind the south wall of the churchyard and next to the Pavilion, has been created within the past few years as a Community Garden, a joint project with Linton Parish Council and members of our local community. It has now been registered with The Quiet Garden Movement, which nurtures low cost, accessible, outdoor space for prayer, contemplation, rest and inspiration. Begun in 1992, there are now over 300 gardens worldwide, in a variety of settings including private homes, churches, hospitals and schools. The list of gardens is found at [www.quietgarden.org/find-gardens](http://www.quietgarden.org/find-gardens)  
The Peace Garden is already a well used and treasured space within our own village community, and now, as part of The Quiet Garden Movement, we can look forward to sharing it with visitors from further afield.

**Maggie and Malcolm** say: We were so pleased to see everyone at the services on Sunday, and have been very touched by all the kind words, cards and gorgeous flowers. Thank you, everyone! We look forward to seeing as many of you as possible at the social gathering on 23rd July in St Mary's Pavilion at 7 pm. We actually move on Monday 26th July, and thereafter our address will be : 'Melrose Cottage', 1 Kimberley Road, North Walsham Norfolk NR28 9DZ  
No landline as yet, but Maggie's mobile is 07516 099726 We would genuinely be delighted if people dropped by when in North Norfolk. As we are moving somewhere where we don't yet have many friends, old ones will be specially welcome. Our house is just round the corner from a large branch of Sainsbury's, so you could combine visiting us with stocking-up on holiday shopping!

They have been delivering meals since 2001.

The DBS checked drivers, wearing PPE and following strict COVID 19 measures, deliver hot lunchtime meals to Linton residents Monday to Friday or any combination thereof. Drivers keep a 'watchful eye' out for customers, alerting relatives or emergency services depending on the concern.

Are you struggling to prepare your meals or do you have relatives or friends that would benefit from a hot, two course lunch delivery, then call 01223 314288, email: enquiries@[cammsmealsonwheels.org](mailto:enquiries@cammsmealsonwheels.org) or go to [www.cammsmealsonwheels.org](http://www.cammsmealsonwheels.org) and get in touch.
