Sustaining God's Creation Sustaining God's Creation is a joint project of the six cathedrals of East Anglia (Chelmsford, Ely, Norwich, Peterborough, St Albans and St Edmundsbury). They are working together to promote sustainable living throughout East Anglia and in the wider church, helping us all to honour God's creation and to care for our neighbours near and far.

Thank you to everyone who supported Vitaly Pisarenko's concert of piano music in the church in June and organised by the Linton Music Series. Some expenses were borne by LMS, which allowed a total of nearly £1,500 to be donated to the Ukraine appeal. This figure also includes some donations received after the concert. A great performance and a worthwhile result! Sue Mudge

The Coffee Morning on 16 July made £161 for church funds. Thank you to all who helped and made cakes and to all who came to enjoy time together.
